Mother Lanka we salute Thee!
 Plenteous in prosperity Thou,
 Beautiful in grace and love,
 Laden with grain and luscious fruit,
 And fragrant flowers of radiant hue,
 Giver of life and all good things,
 Our land of joy and victory,
 Receive our grateful praise sublime,
 Lanka! we worship Thee.
 Thou gavest us Knowledge and Truth,
 Thou art our strength and inward faith,
 Our light divine and sentient being,
 Breath of life and liberation.
 Grant us, bondage free, inspiration,
 Inspire us for ever.
 In wisdom and strength renewed,
 Ill-will, hatred, strife all ended,
 In love enfolded, a mighty nation
 Marching onward, all as one,
 Lead us, Mother, to fullest freedom.

Temple of the Tooth Relic

This important Buddhist shrine is located in the very heart of Kandy which is 116kms north-east of Colombo at an elevation of 490mts above sea level. Almost all travelers who arrive in the island visit the city of Kandy in their travels. It takes only three hours to reach this world heritage site from Colombo by road. As its name suggests, the Temple of the Tooth is custodian of the tooth relic which is enshrined in an especially security oriented site in the temple until it is taken out for public veneration every year in the August Festival of the Tooth Relic.

The festival is unequalled in grandeur as a national attraction every year and one sees vast droves of tourists jostling with locals at the fantastic street parades of caparisoned elephants, brightly accoutered dancers and vast throngs of sight-seers and devotees which come to this festival from all parts of the country. Many travelers from all parts of the globe visit this city especially to have a glimpse of the annual pageant that is held there. Hundreds of drummers, dancers, well disciplined mammoth tusked elephants

take majestically to the streets at night, monitored by elegantly dressed chieftains following the procession. Thousands of locals throng the streets waiting impatiently for hours for the arrival of the procession known as the Perahara. It's a showcasing of perhaps the most vital essence of the Sri Lankan Heritage and Culture. The whole city is lit up and it takes a carnival atmosphere. The Royal complex which has the King's and Queen's palaces, abuts the temple and the Kandy lake. Then come the Audience Hall, The Royal Boat House and The Royal Summer Residence. There are many other places of interest in the vicinity worth a visit. Star class, average or budget accommodation is there aplenty while craft villages such as Embelke and Kalapura well merit a call for souvenir hunters.

Kandy has this mystical ambience to it that most visitors have years later confessed to retaining vivid memories of their visits there though others may be forgotten or misty.

Kalpitiya

The peninsula of Kalpitiya is one of the most beautiful coastal areas of the country stretching across the Western Province sea board. It separates the Puttalam lagoon from the Indian Ocean and is a marine sanctuary rich with bar reefs, flat coastal plains, salt pans, mangroves swamps, salt marshes and vast sand dune beaches. Sri Lanka Tourism implemented the Kalpitiya Dutch Bay Resort Development Project back in 2008. Among the very many interesting attractions in Kalpitiya are the several islands in Dutch Bay and Portugal Bay, the Bar Reef Marine Sanctuary which is 307 square km of ocean replete with a rich marine bio-diversity including swarms of sea turtles, an amazing range of tropical hobby fish as well as table fish, lobsters oozing with succulent meat that you can get at any of the ritzy hotel and inns which are in abundance all over Kalpitiya, sea cucumbers and the adorably cuddlesome schools of Dolphin and several mammoth blue whales and other whales almost throughout the year. Adding to Kalpitiya's richness are the mangroves and a bit inland are the fabulous fauna and flora one happens upon on a trek through the region, then there are the Historical Monuments, Natural Botanical Gardens, Natural Forest, estuaries and lagoons, sea grass beds and of course soft and yielding

golden beaches with birds and butterflies of every colour and size awash over the entire landscape

Activities & Excursions

Though Alankuda Beach is an excellent place in which to while away the hours doing as little as possible, we have a range of exciting activities and excursions to offer you for when you find you might have had enough of relaxing and melting into the sand and sea.

Activities

Dolphin and Whale Watching Alankuda Beach is one of those rare places in the world where of these most amazing creatures of the sea can be observed with regularity and close at hand.
