Mother Lanka we salute Thee!  
 Plenteous in prosperity, Thou,  
 Beauteous in grace and love,  
 Laden with grain and luscious fruit,  
 And fragrant flowers of radiant hue,  
 Giver of life and all good things,  
 Our land of joy and victory,  
 Receive our grateful praise sublime,  
 Lanka! we worship Thee.  
 Thou gavest us Knowledge and Truth,  
 Thou art our strength and inward faith,  
 Our light divine and sentient being,  
 Breath of life and liberation.  
 Grant us, bondage free, inspiration.  
 Inspire us for ever.  
 In wisdom and strength renewed,  
 Ill-will, hatred, strife all ended,  
 In love enfolded, a mighty nation  
 Marching onward, all as one,  
 Lead us, Mother, to fullest freedom.

BEYOND BEACHES  
NATURE / CULTURE / ADVENTURE

**F**or your next vacation, Visit the Miracle of Asia where you are never out of season all round the year.

Leave behind the concrete jungles, the fumes, the discos, the casinos, the touts, pushers, shakers and all the rest and enjoy nature at its best, where the grass is the greenest. Relax where the speckled green frog leaps for waters, where the Lark lays its eggs under the rock crevices, where the elk comes to drink at the cool waterhole by sundown, where the giant hawk keeps vigil soaring above you,

Majestic elephant ambles up to rub its scratching back against a tree trunk. Listen to the whisper of a stream in the valley, a whirl of a feather in the blue the sky, the slap the songs of the wild and the far away call of a rolling waterfall.

Dream on a cool mountaintop with your eyes wide open, enjoy the Panorama of rolling downs, observe the dew misting in the cloud forest, gaze at magnificent artistry of Mother Nature at sunup or sundown, or get lost in the Milky Way when the stars begin to bloom and breath in deeply the air so clean.

### **Adventure Sites**

If its action you are looking for, its all out there in well selected locations with green houses catering to nature and adventure travelers. Time tested programs are offered for your thrill, leisure and pleasure. You would be in touch with nature away from it all. These are operated by personnel with global expertise. They take you away from the routine three Ss in tourism – Sun / Sand / Sin.

### **Project Sites**

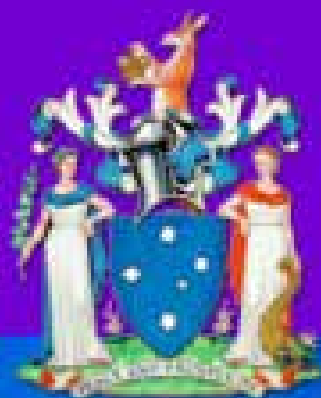

Arrangements could be made where one could engage in activities where you feel the pulls of the developing land, while you enjoy it all. You would also get an opportunity to make your contribution in knowledge and effort to worthwhile cause.

### **Trekking Quarters**

These are available at special locations and are often rustic loggings. Trekking possibilities are innumerable specially in the mountain regions of the island. Seasoned hikers are always welcome.
