Message

I am pleased to send this message on the occasion of the publication of Sri Lanka Directory (SLD) to facilitate easy access to Sri Lankan businesses and organisations in Australia.

I welcome the idea of Ravsfm.com of R S P Holdings Pty. Ltd., Australia, for their initiative to develop this directory for the entire Australia which would help to vitalize and uplift the newer and stronger identity and values of Sri Lankan businesses and organizations in Australia.

Sri Lanka Directory would create a platform for other Australian existing businesses to work closely with Sri Lankan enterprises not limiting to Sri Lankans in Australia but also to Sri Lankans throughout the world.

I hope that Sri Lankan origin business enterprises in the world use this opportunity to uplift the Sri Lanka identity among other sub communities.

I wish Ravsfm.com all success in its future endeavours.
